

Vehicle Title & Registration Instructions

Title For Certificate of Ownership:

This informs the DMV to send "ownership" (pink slip, etc.) documents to the CCC Office for safe keeping in the fireproof vault. CCC will release these documents to the Entity when requested (sale, salvage, etc.).

This also allows the Vehicle to be insured at a reasonable cost to the Entity under the CCC umbrella auto insurance policy.

Title For Registration:

This informs the DMV to send all "registration" (renewal, tags, etc.) documents to the Entity where the vehicle is located.

This also allows the Entity to smog the vehicle in the County it is located rather than Fresno County.
